“

Pantau Kota adalah aplikasi pengaduan masyarakat yang digunakan untuk melaporkan berbagai masalah di lingkungan kota, seperti jalan rusak, sampah menumpuk, lampu jalan mati, dan masalah lainnya. Aplikasi ini membantu warga agar bisa menyampaikan laporan secara cepat dan mudah langsung ke pihak yang berwenang. Dengan Pantau Kota, masyarakat bisa ikut serta menjaga kebersihan, keamanan, dan kenyamanan kota. Selain itu, aplikasi ini juga bisa menunjukkan status laporan, jadi warga tahu apakah masalahnya sudah ditangani atau belum.

# UI WIREFRAME

## MID-FIDELITY

# UI WIREFRAME

## HIGH-FIDELITY

The image displays six mobile phone wireframes arranged horizontally, representing a high-fidelity UI design for a city monitoring application. Each screen is set against a white background with a black status bar at the top showing the time as 9:41 and signal strength.

- Login Screen:** Features a large "Pantau Kota" logo at the top. Below it is a "Log In" section with fields for "Email Address" and "\*\*\*\*\*". A blue "Log In" button is at the bottom. At the very bottom, there's a "Don't have an account? [Sign Up](#)" link. The footer navigation bar includes icons for Beranda, Aktivitas, Lapor (highlighted in yellow), Notifikasi, and Profil.
- Home Screen:** Shows a large image of a traditional Japanese woodblock print of a wave. Below it is a search bar labeled "Search". Underneath are four circular icons: "Laporan Warga", "Ambulans", "Pemadam Kebakaran", and "Polisi". Two promotional cards are shown: one for medical assistance ("Butuh Bantuan Penanganan Medis?" with an ambulance icon) and one for easy navigation ("Bergeser mudah dengan Pantau Kota" with a map icon). The footer navigation bar includes icons for Beranda, Aktivitas, Lapor (highlighted in yellow), Notifikasi, and Profil.
- Laportaking Screen:** Shows a camera view of a road with a crosswalk. A yellow "+" button is in the bottom right corner. The top bar says "← Ambil foto laporan". The footer navigation bar includes icons for Beranda, Aktivitas, Lapor (highlighted in yellow), Notifikasi, and Profil.
- Profile Screen:** Displays a profile card for "Ariana Grande" (@arianagrande). It includes options to edit the profile, account settings, language selection, terms and conditions, privacy policy, and log out. The footer navigation bar includes icons for Beranda, Aktivitas, Lapor, Notifikasi, and Profil.
- Aktivitas Screen:** Shows a list of reported issues. The first item is "Kerusakan Jalan" (Road Damage) with a status of "Menunggu" (Pending) and a timestamp of "09.45". The second item is "Lampu Merah Mati" (Red Light Out) with a status of "Menunggu" and a timestamp of "07.45". The footer navigation bar includes icons for Beranda, Aktivitas, Lapor, Notifikasi, and Profil.
- Notifikasi Screen:** Shows a list of notifications from BMKG. The first notification is about a weather warning for Jabodetabek on March 25, 2025, at 12:39 WIB. Subsequent notifications are identical, showing updates at 10:00, 09:00, 08:00, and 07:00. Each notification includes a timestamp and a brief description of the potential rain. The footer navigation bar includes icons for Beranda, Aktivitas, Lapor, Notifikasi, and Profil.
